

ADOPTION PROCESS!

1

Check Out Our Adoptable Animals

Visit our website to look at our available animals up for adoption. You'll look through their photos, read their bios, & see if there is a potential match for you!

Fill Out An Application

If interested in any of our adoptable animals, fill out an adoption for us to get to know you more! Our unique match-making process aims to help find a great fit for you & our pets!

2

Speak To An Adoption Caseworker

Our adoption caseworkers will reach out to discuss with you our adoptable animals, our adoption process, and answer any questions you may have.

3

Schedule An Adoption Meeting

Adoption meetings are held at our Program Center in Manchester or our Sanctuary in Ashford. For dog adoptions, home visits are also included & day trips or overnights are optional.

4

Adoption Time

Adoptions are held back at our Program Center or Sanctuary where we provide valuable documents and resources to help you and your pet start this next wonderful chapter together!

5

Post-Adoption Support

As a part of OC's lifetime promise, we follow up with adopters post-adoption to provide guidance and assistance to ensure both the pets and their families are set up for success!
